Action

Introduction - Unfortunately, Sharon is unable to attend this meeting and the SC is still waiting for the date when the Pre submission draft plan will be available. The Pre submission consultation cannot be organised without this date. - Sharon did provide the comments on the draft plan made by Sarah Hughes (TVBC). Sarah suggested that the Plan should be reduced in length. - Sharon is able to come to a meeting next week; this has been arranged for Monday 9th May, at 5:30pm.	
Comments From Sarah Hughes The committee went through the comments and agreed or disagreed with some; and thought others need further clarification.	
Meeting on 9th May 2022 - When we meet with Sharon, we need to ask about the Pre-Submission Consultation process; whether every comment requires a response and the date the Pre submission draft plan will be ready. - We need to go through the comments from Sarah Hughes, to get clarification.	
Actions from Last Meeting - Karen in the Parish office can print the plan if copies are required on an ad hoc basis. - Nick Adams-King has been contacted and brought up to date on the Plan. He thanked the Steering Committee for all their work. - The Chair of the Parish Council was unable to be contacted regards the Parish Council making a comment on the 2040 Local Plan.	
AOB - Les gave an excellent presentation at the Annual Parish Meeting. The power point slides are available on the Parish website. Nick Adams-King mentioned the Plan in his speech and is very supportive. - It was suggested that we have a stand at the Jubilee party, to promote the Neighbourhood Plan.
