Action

Introduction and General Update • The Neighbourhood Plan is now with the external examiner. TVBC have provided the examiner with the Regulation 16 representations. • Les summarised the main themes of the representations. • The purpose of this meeting is to have some responses to the representations should the examiner request these.	
Representations • The representations were discussed by theme, such as Local Green Spaces, New Forest Heritage Area; Housing numbers. Responses and comments were entered into a spread sheet provided by TVBC. • Les to speak with Charles regarding the Technical Report for the Housing Needs Assessment. • John to review DP 35 and 36 in the latest version of the NFNP Authority Local Plan	Les John
